COMMUNITY UPDATE

Dementia Wristbands are here - The bracelets can be worn or carried by people living with dementia so, if they get lost, police or members of the public can quickly access details of the next of kin and contact them.

If you are a carer or relative of someone who is living with dementia who is mobile within the community and you think a wristband would be of benefit then please email: dementiasafeguarding@lincs.police.uk with your details and the name of the person you are requesting for.

Include their date of birth and home address along with the requested name address and contact number and a member of the team will be in touch.
