8.18 – Matters Arising/ Clerks Report (*items in italics updates*)

Playing Field/Rospa Report – Newby Leisure have carried out repairs and changed one of the seats on the swings. We are still waiting for an invoice for this work

Lincs County Council – Highways - The CC have been contacted regarding the puddle outside the school, the condition of the lane by the side of the Church and the parking on the corner of Mill Lane/Sea Dyke Way opposite the school. To date I have not heard anything. Cllr McNally was not at the last meeting to report back to us so I have again (third time) contacted LCC regarding this.

Speed sign – I have paid the money to Grainthorpe, hopefully it will be our ‘turn’ soon.

BKV – Hopefully by meeting day I will have the childrens posters that can be put up round the village. We will have vouchers as prizes for best posters. We will discuss donating some funds to the school (S137) so they can put some plants in containers in the War Memorial gardens.

Children’s posters were ‘judged’ at meeting and Councillors were very impressed with all of them, it was particularly difficult to select a winner from amongst them but they did pick out a 1st, 2nd and 3rd. Clerk to take vouchers into school for prize winners £15, £10 and £5 at Smythes toy store and sweets for all the children to share. Letter of thanks to also be sent. All posters will be put up round village.

With regard to the tyres stored in the field behind Rookery Row, enforcement action has been commenced and we are awaiting an update. Chair to follow up.

14.18– AOB

Cllr McNally - The street lights were discussed and Cllr McNally seemed to think that we could, if required, request they stay on at night if we pay for LED conversion, he is not sure of the cost but will find out. This would have to apply to all the lights in a particular street; we could not pick and choose odd ones. He also reported that crime figures were being assessed against the lighting and where necessary lighting was being re-instated, as is also the case with road safety.

Cllr Parkinson reported a couple of pot holes in Church Lane and North Lane which the clerk would report.
